

# Hutt Valley District Health Board

## Electing 7 Board Members

---

### David OGDEN

Healthy Hutt

*My principal place of residence is in the Hutt Valley District Health Board area.*

*I am also standing for the Greater Wellington Regional Council and the Hutt Mana Charitable Trust.*

Hello !! I am standing for re-election to the Hutt Valley District Health Board, to which I was first elected in 2004.

I am proud of my service for you in the difficult area of Health. I am a Justice of the Peace, and a chartered accountant, experienced in large organisations and helping smaller businesses. I am passionate about improving the governance of our health services. I also believe that our general health is tied up with adequate housing, employment opportunities and our schools. So we need the Government's help, which I will seek and obtain. We need to get our children fitter, more active and healthier. I am also worried about the health of our great medical staff. I think some are suffering from overwork and excessive demands. We cannot let this get worse. Time for Action !! - Vote David Ogden for the Health Board.

### *Conflict of Interest Statement*

I am an employee of associated accounting companies Simple Accounting Services Limited and Five Plus Accounting Limited, and the principal of Oak Chartered Accountants Limited. All these in the normal course of business have or may have clients who are involved in the area of Health. I am also the Presiding Member of the Lotteries Commission's Wellington and Wairarapa Community Committee. This committee comprises five individuals, who have a wide knowledge of their local communities. It is assisted by the Department of Internal Affairs and annually distributes funds totalling over \$2million. Some of the recipients of these grants may also receive funding from the Health Board or the Ministry of Health.
